7. To receive and approve 2026 Event Plan Report

Deputy Clerk was thanked for putting together a comprehensive budget report containing suggested the upcoming planned events for 2026/27. It was noted this will help with streamlining the programme and will give clear information for the finance committee when considering precept options for 2027/28. The document was discussed at length, and the plan of events - Litter Pick; Llanfairfechan Celebrates; Big Green Week; Sandcastle Competition; Pendalar Community Day; Mayor's Civic Event; Fireworks Night; Pony Festival (subject external funding); Remembrance Sunday; Volunteer's Celebration; Christmas Market were agreed with some provisos:

1. Litter pick – Rotary, U3A, Brownies and Community Group volunteers to be invited to join in.

2. Llanfairfechan Celebrates - Could be linked with the reopening of the upgraded paddling pool in May. County Councillor to be invited to be involved.

3. Big Green Week – It was noted this is led by the community group sessions and TC role is to pull together the marketing, programming and support for the groups. Rotary Allotment Group to be invited to join in for the Tuesday session – it's important to advertise this valuable community facility. The allotment is open to all and fully accessible for wheelchairs and anyone with extra needs. Consider including the Croquet club to see if they would like to be involved. It was noted that the response for the photo competition was excellent and thought needs to be given to the prizes for this.

4. Sandcastle Competition – This is planned for the National Sandcastle Day and is at the start of National Play Day week. Look for sponsorship and prize donations for the event to encourage local businesses to be involved. Team to contact Sional as a possibility.

5. Pendalar Community Day – It was agreed that the free ice creams for volunteers is an important part of this as it was very positive.

6. Mayor's Civic Event – There is a traditional civic event planned for 2026/27. This would include a service at Capel Zinc followed by buffet at the Community Hall chambers. This event is funded from the Mayor's Allowance and doesn't incur any cost from the core budget.

7. Fireworks Event – Clerk to request fixed prices for the event for the next three years as a return for the regular commitment. Deputy Clerk to set up a contract for this work.

8. Ponyfest – This will be externally funded and will incur cost from the core budget. It is hoped that the Ponyfest brand may be expanded and gain business sponsors in future. There is no other Ponyfest and a unique opportunity for the town.

9. Llanfairfechan Remembrance – Unchanged but it was noted that more people come each year and the road closure is a necessity due to the body of people gathering at the cenotaph and that the parade is valued. Road closure needs to be tighter, and it was suggested that other road closure options should be considered to make

sure there is best value. It was noted that paying for the professional sound support made a huge difference and is worth the money.

**10. Volunteer's Celebration** – It was recognised this is still in development as a new event, but it was noted that this event has, in particular, has caught community interest and recognises the community values of Llanfairfechan. It is proposed the buffet is directly funded by Town Council to make sure the event goes ahead each year.

**11. Xmas Market** – Due to the fact that the Fun Fair will no longer attend for free, staff to research the various options for the outside activities and to get advice from Conwy CBC about road closures and crowd control for 1100+ people. All were resolved to approve events with any further provisos to return to council when needed

**13. To receive correspondence**

**1. Bowling Green hedges** – Notified by Llanfairfechan Bowling Club that Conwy CBC have now cut the hedges. This is good news, but it was noted that the work is somewhat belated. This is due to problems with the CCBC cutting machinery.

**2. 75 Bus not stopping** – further information needs to be gathered about this. Clerk to contact Llew Jones to ask for their comments.

**3. CCBC Benches on the Prom** – Correspondence with Conwy Harbourmaster. The broken bench has been removed but it was noted there are several benches along that stretch, so it is not much of a concern. The harbourmaster has been reminded of the Llanfairfechan Town Council bench project as follows:

*The Town Council have a memorial bench project and are very happy to offer a place for resident's memorial plaque within this arrangement. It is hoped this approach will enable more residents to have the option to buy a memorial plaque in memory of their loved one.*

*Town Council have jurisdiction over the following benches:*

*1 x opposite Pant y Rhedyn school*

*1 x Valley Road by the footbridge to Mill Road*

*2 x Crossroads*

*2 x metal benches on the cob*

*4 x wooden benches on The Cob (Please note - these have no spaces left for plaques)*

*Town Council have agreed that up to three plaques can be added to each metal bench and two to each wooden bench to enable more residents to take up the option.*

*Ownership of the bench will stay with the Town Council, and we will make sure the benches remain up to standard. The plaques will be kept in place for 20 years after which time, Town Council may be in touch to ask if you want to renew or remove.*

*The memorial plaques are 10cm x 5cm and we can order them from Cawthray in Llandudno and then fit it. You can choose to purchase a brass plaque at a cost of £45.00 and we would ask you to pay the cost of the plaque.*

**4. CCBC Gullies and Drains** – information has been received from Conwy CBC:

**a. Gullies and drains**

We continue to undertake regular, routine highway safety inspection in line with our Highway maintenance and Inspection Policy, furthermore, we are undertaking limited gully cleansing actions to address a backlog of reports. Any areas or issues of concern can be reported via: <https://erf.reporting.conwy.gov.uk/>.

**b. Roads, leaves and debris**

We have recently experienced significant logistical challenges due to equipment breakdowns. As a result, we have engaged external contractors to support our in house provision, and we are currently working through a backlog of service requests. Any additional areas or issues of concern can be reported via: <https://erf.reporting.conwy.gov.uk/>.

**c. If the Street Lighting matter is still outstanding, you may wish to contact the Street Lighting team directly at [street.lighting@conwy.gov.uk](mailto:street.lighting@conwy.gov.uk) for an update.**

**5. CCBC Public Toilets** – we have received an email from Conwy CBC that Town Council will need to start paying for the utilities at Village Road toilets as they are now recognised as owners of the site. In addition, it was agreed that the Station Road Toilet block, that has been closed due to the amount of building work that is required, should not reopen and Town Council are not minded take on the building as a storage unit.

In addition, further information has been sent out re: the sponsorship of Promenade Toilets:

Please see below responses to recent queries that have been made relating to the above:

a. What's included in the sponsorship costs?

The sponsorship requested includes utilities, operating costs, repairs, transport and employee costs.

b. What are the opening hours in 2026/27?

Opening hours will be the same as they are in 2025/26.

c. How have the sponsorship costs for 2026/27 been calculated?

The total sponsorship received from all town and community councils contributes less than half the cost of delivering the public convenience service.

The Local Toilet Strategy which seeks to make the service sustainable therefore requires an increase in sponsorship, which has been capped at 7% for 2026/27.

Supply and installation of a standardised 'Sponsored by xxx Community/Town Council' sign to the entrance(s) of all public conveniences in the sponsorship scheme

As agreed on 14/01/26 the following actions will be taken to deliver this.

a) Town and Community Councils to agree the signage specification

b) Conwy CBC to seek 3 quotes for producing signage and arrange translation of agreed text

c) Subject to agreement from all town and community councils CCBC to order and arrange installation of signage and invoice town and community councils

A working group is to be set up, and it was agreed that the Deputy Clerk should sit on the group. Elected members were extremely unhappy about the level of communication and Clerk to action a strong email requesting information within 7 days.
