## STREET SUPPORT CEFNOGAETH STRYD LLANFAIRFECHAN

Llanfairfechan Town Council have launched this project in response to the Covid - 19 pandemic.

Since launching on 26th March, Street Support Cefnogaeth Stryd Llanfairfechan has dealt many calls for help. Over 79% of these have been for prescriptions which have been completed on the daily run.

Thank you to all volunteers who have offered their time and are committed to helping vulnerable members of our community

## STATEMENT FROM THE MAYOR OF LLANFAIRFECHAN CLLR DELOHNE MERRELL

In these difficult times, Llanfairfechan Town Council aims to do our best to protect Llanfairfechan as much as possible. We have engaged a Crisis Management Team to meet the day to day challenges. This comprises of:

- Mayor Delohne Merrell
- Deputy Mayor Penny Andow
- Cllr Chris Jones
- Town Clerk - [jayne@llanfairfechan.net](mailto:jayne@llanfairfechan.net)

If you have concerns that should be reported to the Town Council please do email. We are in daily contact with all Town Councillors to ensure that Local Government Act and Standing Order guidelines remain paramount.

We do believe that alongside following the very clear Welsh Government guidelines, remaining as positive as we can is one of our best defenses against Covid - 19.

It can be frustrating if it feels that some people are not following the government rules and are putting others at risk. However, we must recognise the pressure that everyone is under at this time - it is not easy to always be in control of a family situation.

We thank you for all the creative ideas and community support for the NHS over the last few weeks. In these isolated times, these actions lead to a real sense that we will beat this together.
