Welsh Government rules still apply - please keep to them!

Stay at home - only go outside for food, health reasons or work (but only if is not reasonably practicable to work from home)

Stay 2 metres (6ft) away from other people

Wash your hands as soon as you get home

Anyone can spread the virus

Police are patrolling our community and have issued fines

**42 deaths in Conwy up to May 8th.
This figure will increase rapidly over
the next few weeks.**

Betsi Cadwaldr University Health Board's executive director of primary and community care stated:

"It's now more important than ever that people continue to stay at home in order to protect the NHS and save lives."
